## Parents' Weekend Kicks Off

By Candy LaBombard  
Of the Archway Staff

Parents' Weekend gets off to a start this afternoon when registration opens at 4 p.m. Over 2,000 parents are expected to visit Bryant over the weekend to view the college life of their son or daughter and to participate in the activities planned by the Student Senate.

The long list of student/parent activities begins Friday evening with a semi-formal dance in Salmanson Dining Hall, a dance in the Student Center, and quiet entertainment in the Country Comfort.

At 10 a.m. Saturday morning an Organizational Fair, with representatives from various Bryant

organizations, will be held in the Rotunda. This will be followed by a Karate Club Demonstration and Faculty/Administration/Parent Student Reception. A slide show of Bryant will be held at 1 and 3 p.m. in Room 386. At 2 p.m. Bob Shafer will hold "Simon Sez" in the Rotunda. At 2:30 the Bryant Players will present three plays in the Auditorium, while a Crafts Fair is being held in the front circle. At 4 p.m. a skydiving demonstration will take place.

While all this is going on in the Unistructure, Casino Day will be taking place in the Pub.

Dr. O'Hara will officially welcome parents Saturday evening in the gym. Following his welcome

will be Henny Youngman and Kelly Montieth. Later that evening there will be dancing in the Dining Hall, a floor show in the Pub, and quiet entertainment at the C. C. Hypnotist James Mapes will be performing in the gym.

Sunday, the weekend comes to a close with brunch and mass in the Rotunda (a folk mass will also be held at 4:30 Saturday Afternoon).

Howie Rappoport, Chairperson of the Parents' Weekend Committee, and Nick Puniello, co-chairperson, have spent months planning this weekend with a committee of 68 Bryant Students. It is everyone's hope that this year's Parents' Weekend will be the best one yet.

This is the sight that greeted Bryantonians for the last month and a half until the pool heat-exchanger was replaced last Wednesday.

## Pool Opens At Last

By Elly Pappas

The swimming pool at Bryant is once again in working order after being in inoperative condition for over one month due to the breakdown of a major part of the system. The part, known as a heat exchanger, resembles a bundle of tubes and connects to the Unistructure's boiling water heating system. This is how the water in the pool is heated. The malfunction was discovered at the end of August when the failure of the part caused boiler water to flow into the pool. The loss of boiler water and the actual boiler water in the pool was a situation which made running conditions of the pool unacceptable.

Why did the heat exchanger fail? Mr. Charles Pickett, Plant Engineer at Bryant, explained that the heat exchanger is made out of metallic material and it is constantly exposed to the chlorine in the pool water. Chlorine is a highly corrosive chemical towards metal and thus damages the system. The breakdown of the heat exchanger was attributed to normal fatigue. The part was the original one installed in the pool system when Tupper Campus opened in 1971. There is little that can be done to

prevent the metal fatigue because chlorine is a necessary chemical in pool water.

The new heat exchanger was ordered on September first at a cost of \$3326.96. The part is not a stock item, and therefore had to be built. Signs were posted indicating the pool would open the beginning of October since that was the approximate projected date made by the people who built the part when Bryant ordered it. The part arrived on Tuesday of this week in Providence. By Wednesday afternoon, after a relatively simple five-hour installation, water started flowing into the pool.

Geri Hura, who is in charge of pool operations, said that the pool will be open Friday. Eight lifeguards were hired at the beginning of this semester and have since been waiting with no pay for the pool's opening. Pool hours for this semester are: 12 noon to 11 p.m. on Sunday through Thursday; and 12 noon to 8 p.m. on Friday and Saturday. Ms. Hura commented that the hours could be expanded if there is a need expressed by Bryant students. If anyone wants to respond, please go to the Student Affairs Office with suggestions.

## WJMF Attends Convention

WJMF Fund-Raising Director Duane Lefevre represented the station at the fourth annual National Student Broadcasters Convention in Boston this past weekend. The convention was attended by more than 500 college radio personnel from east coast radio stations.

"The convention is an excellent place to trade ideas and really learn a lot" according to Lefevre. There were more than 50 scheduled sessions and 20 exhibitions of electronic equipment and services. The sessions ranged from "FCC Q & A," "Getting a Job in Broadcasting," to "Spicing Up Public Affairs Programming," and "Motivating Volunteers."

Representatives from the larger record companies, major new services and trade magazines were present to share their expertise with

convention goers.

More than half of the radio stations in the U.S. are college stations. They are small in terms of wattage but are very innovative and creative. College stations can not compete with the big commercial stations with top 40 programming so they are forced to innovate, and they do it well according to record company representatives. It is these stations that "break" the new bands which in recent years have included The Cars, The Knack, and Joe Jackson.

"I picked up a lot of good ideas for programming and fund-raising at the convention and I think I gave some stations a few of ours. I must say we are not perfect but I am very impressed with WJMF after the convention. In many cases we are right on top of things and we have only just begun," says Lefevre.

## Scholarship Award

Bryant Women's Association 1979-80 scholarship award was presented by Loretta Lukowicz and Eleanor Read, co-chairmen of the scholarship committee.

The award winners are Julie Vax, executive Secretarial major from Whitinsville, MA, and Susan Bitzer, an Economics major from Rumford, RI.

## Power Outage

By Mike Durkin  
Of the Archway Staff

On Saturday, October 13, Bryant College experienced a loss of electrical power from approximately 1:30 a.m. to 3 a.m. According to a spokesman of the Narragansett Electric Company, the blackout occurred when an automobile struck a main utility pole in Johnston, RI, which cut off power to 1500 customers in Johnston, Smithfield, and adjoining areas.

Although no serious emergencies were encountered during the blackout, there has been concern over the fact the power loss caused problems with the phones in the Unistructure. Contrary to rumor, the phones in the Unistructure were still in working order and outgoing calls could be readily made. Unfortunately incoming calls were restricted because the switchboard and phone lights were out of order which made it difficult to ascertain when calls were coming in. Chief Gardner, of Bryant Security, expressed deep concern over this matter because of the obvious hazard of campus resident's inability to contact Security in case of an emergency. According to Chief Gardner and Plant Engineer Charles Pickett the problem was remedied this morning when power in the Unistructure was shut off from 2 till 4 a.m. and the switchboard was hooked up to the emergency generator.

## THE OPINIONS

FROM THE EDITOR'S  
DESK....

First of all, I would like to welcome all parents to our eleventh annual Parents' Weekend. A mind-boggling array of events have been prepared for your benefit, so enjoy a "typical weekend at Bryant College."

And while you're here, stop up to our "open house" and visit us. We will be here from about 10:00 a.m. until 1:00 p.m. showing anyone who cares to know how Bryant's newspaper is produced. Yes, you can see our amazing Compset, our fantastic Process Camera, and a few of the dedicated (but pooped) staff who make *THE ARCHWAY*. If you're extremely impressed, you may sign up for a subscription at the paltry rate of \$5 for the calendar year. Hope to see you here!

Otherwise, this has been one of those editorially dry weeks. Scraping the bottom of the barrel—I would like to commend SAGA on their "Drive-In" night—a unique change from the usually hum and drum fare offered.

Since I'm running out of space this week, I'd better sign off.

## News Coverage

To the Editor:

As News Editor of *The Archway* I feel I can not let Rich Pleaia's letter to the Editor go by without a reply to some of his questions.

Yes, *The Archway* does realize the importance of the nuclear energy controversy, as well as the importance of many other items of world/national interest. *The Archway*, however, is a *campus* newspaper. Our number one goal is to provide coverage of *campus* news. No other newspaper reports on Bryant "going-ons"; many other newspapers (which are accessible to any interested students) report on international and national events.

With an all-volunteer writing staff (who, like you, must attend classes and study for exams), we *could not* hope to cover world and/or national news. We'll settle for trying to cover Bryant news and leave the rest to the *paid* newspaper staffs.

In closing, I'd like to inform Mr. Pelaria, and everyone else, that anytime you would like to submit an article on any topic for publication, feel free to contact me at *The*

*Archway*. There's no guarantee it will be a front-page headline, but we'll try to fit it in.

## School Spirit

To the Editor:

It amazes us more that our Student Senate President can put down the school spirit and fellowship among students, because of the act of a few inconsiderate people.

Mr. President, we can remember back to last year when we, the student body, elected you as our president to represent us all, independents and Greeks. Putting down the school and independents

## Letter Policy

We welcome your letters on matter that concern the Bryant community. The few simple rules to follow about Letters to the Editor are: 1. They must be signed (with Phone no. or Box no. for verification). 2. They must be legible (not necessarily typewritten). And they cannot be termed, in our judgement, libelous, obscene, or in poor taste. Happy Writing!

in general does not exemplify real leadership qualities.

We can see where you would be upset, we would be too. We know a lot of hard work went into the making of the sign, but remember what you stand for and who you represent.

Sincerely,

THE  
CAMPBELL  
SURVEY

## Admission or No Admission?

This week we take a look at a subject that is coming up more and more often at SPB meetings.

The Question: Do you think that admission is charged too often at the Student Center/Pub? got this response:

yes	54%
no	40%
no opinion	6%

At present, the SPB (Student

Programming Board) calendar is pretty solidly booked. In all honesty you will probably be paying admission for Wine & Cheese night

for awhile anyway.

Responses seemed to vary from one extreme to the other. Said one student, "We pay an activities fee as part of tuition so why should we have to pay every other night to get in the Pub?" Other comments such as, "You can't even go to Wine & Cheese without paying now." and "The Senate, SPB, or whoever should sponsor more free events" were common.

On the other end of the scale were these comments. "It's usually less

than a buck—if you can't afford that you're pretty \*&\*%\* cheap." "I wish they would allow an increase in price so they could get some decent entertainment."

The SPB has a policy of no more than 75¢ admission to the pub. They rarely pass a wine & cheese night for more than 50¢. Perhaps a higher fee on some nights and none on others is a good approach.

In summary, "Do we have to wait 'till Spring Weekend for decent entertainment for free?"

# Preregistration Alert

November 13-21, 1979

Details of Preregistration will appear in the November 2 issue of **The Archway**.

Each student should review the College catalog to ascertain which courses are required in a major concentration, which courses are desired to meet needed professional and liberal arts electives, and what prerequisites have been established for the course.

Many courses are offered every Fall and Spring Semester. Some courses are offered at selected intervals as determined by the Departments, and, in such cases, the

student should check with the department. **Juniors and Seniors should select courses at the 300 and 400 level.**

The master schedule of classes reflects the interrelationship of:

- The total number of students in terms of class and major concentration.
- The mix of courses required in the various curricula.
- The faculty in terms of discipline and specialty.
- The desired average class size.

#### Cautions:

- If you are not in good financial

standing with the College, the computer will block your preregistration.

2. Check your selections carefully.

- Do not sign up for a course that you have already completed.
- Do not confuse liberal arts electives and professional electives.
- Do not schedule classes which meet at the same time(s).

#### Freshmen

Two assemblies have been scheduled for November 8 at 12:15 p.m. and 3:00 p.m. in the auditorium. Plan to attend either one of these sessions.

## THE INQUIRING PHOTOGRAPHER

This week's question: Where were you when the lights went out?

**Susan Topfer**  
We were partying in B-6.

**Jennifer Michelson**

**Kevin Lampeter**  
I was keeping law & order with Kim.

**Ed Keating**

## How To Get Into a Night Course

- Read instructions and save this article
- Preregister for the course during your day school preregistration period if possible. Five day school students are allowed to preregister for most evening classes.
- If you do not get in an evening course during your preregistration, wait until the evening school mail registration closes. This is usually ten (10) days before classes begin. At that time you can add into an evening class. You may either write in your selection to us or come in person to the evening school office.
- If you write in, provide two alternative choices.
- Do Not Telephone.** Our telephone lines are extremely busy at

registration time. You cannot add a course or get information about a course by telephone.

C. If you come in, take a registration booklet and check the filled courses.

4. If what you want is filled, request to be put on a waiting list.

A. All students get the same treatment in evening school registration after mail registration closes—day or evening.

B. The waiting list policy works. You may go on a maximum of two waiting lists.

C. No student gets preference on the waiting list nor skirts the waiting list. This includes seniors and tentative graduates.

D. Instructors permission or signature will not get you into an evening course.

5. A limit of ten day students is set for all evening courses.

A. No more than 40 students are

allowed in most evening courses, regardless of the number of chairs in the room.

B. Room seating capacity is a criteria only in science labs.

C. The 40 student maximum is strictly enforced.

D. The 10 day student limit is enforced as best as possible.

6. Be sure to have your add/drop slip approved by the evening school whether you are adding or dropping and evening course.

A. If you drop a course and do not have the slip signed, you may be blocking someone from the waiting list from getting into that course.

7. Above all—Read the instructions—follow the policy—it benefits everyone.

8. To those of you who have followed these directions each semester, we appreciate your cooperation sincerely.

## Curriculum Changes

#### Title change

## Counseling Center News

The second meeting of the Sexuality & Relationships Workshop will again be in the New Dorm Main Lounge this coming Monday night, October 22nd from 7:00-9:00 p.m.

The topic of discussion will be **Religion, Ethics & Sexuality**, and a panel of guests have been invited to speak and to answer any questions you might have. The panel will consist of the following people:

Reverend John Carlson, Bryant College

Reverend John Lolio, Bryant College

Dr. William Beuhler, Barrington College

Sister Maureen McElroy, Rhode Island Junior College

Reverend Edmund Fetter, University of Rhode Island

Again, the workshop is open to the entire Bryant community. We look forward to seeing you there.

**BRYANT TUTORIAL Program**

Having a difficult time with your studies? Interested in tutoring other

students? If your answer is yes to either of these questions, then you will be interested in the Tutorial Program.

The Program is open to all students.

Most tutors are free of charge or under \$2.00 per hour. Sometimes studying with a tutor can make all

the difference for you.

If you want to tutor, it's a great way to help others and reaffirm your knowledge in a subject area.

If you wish to be involved or want further information, come to the Counseling Center. Hours are Monday-Friday 8:30-4:30 p.m. Ext. 342 Ask for Carol Davis.

## Truman Scholarships

Two Bryant College sophomores from different states will be selected to compete for 50 national Truman Scholarships of \$5,000, one scholarship for each state. The Bryant contestants must be sophomores now and be juniors next year with a "B" or better grade point average and be in the upper quartile of their class.

The Bryant contestants must also be U.S. citizens or nationals and be enrolled in an undergraduate field that will permit admission to a graduate program leading to a

career in government service.

If you are a Public Administration, Economics, Finance, Law Enforcement, Accounting, or other major and you are interested in a career in government service at the national, state, or local level why not try out?

See Professor Glen Camp, Room 225, Monday through Friday at 12 noon or call 231-1200, Extension 258. Apply as soon as possible. You may win one of these \$5,000 scholarships!

Deadline is November 1, 1979

# THE SENATE

## Senator of the Week

## Bob Reid

This week's Senator of the Week is Bob Reid, a senior from Suffern, N.Y. His senate hours are from 1-2 on Wednesday and from 12-1 on Friday. He is a marketing major and his future plans after graduation include a job in sales and continuation of his education for an MBA degree.

This is Bob's first year on the Student Senate. He is on the Ways & Means Committee which deals with the allocation of monies to clubs and organizations. He is Chairman of the Academic Committee. They are planning to implement an Internship Program. An Internship Program for 10 Accounting students is being planned for the spring. Qualifications and guidelines still have to be set up by the Department

heads. Bob is also trying to implement an Internship Program in the areas of Marketing and Management. So far, he has "met with department chairman and discussed possibilities of the programs and getting them started." guideline to submit to the curriculum committee to get their approval on these programs. Bob feels that there is a need felt among the students at Bryant for an Internship Program in the major areas of study.

Bob is also on the Senior Activities Committee and Senior Survival. He is working with the Alumni Association in planning Senior Survival. Senior Survival is a series of symposiums to be held during the first and second semesters. The series relate to subjects that will help seniors when they get out of school. Those series scheduled for first semester are: "Hiring Your Next Boss: A Few Things You Should Know," "Preparing a Budget: Making Ends Meet?" "Using Insurance to Protect Your Future," and "Making It: A Study of Entrepreneurship." Signup is in the Senate Office.

Other College Committees include the Reaccreditation Committee-Evaluation and Planning Subcommittee. He is a member of the Marketing Club. His is also interested in intramural sports.

When asked, "What do you think of how the Senate is running?", he stated "The Senate is stronger than it has ever been and it is well structured. All senators are willing to put out everything to make Bryant a better College."

by Frank D'Ostilio

On Wednesday evening, October 17, the Salmanson Dining Hall resembled more of a drive-in than a dining hall. The change in appearance was due to a SAGA dinner special called the "Drive-In." The "Drive-In" special consisted of a meal of hot dogs, hamburgers, french fries, onion rings, milkshakes, and popcorn. Oh, and of course not to forget, the cartoons and Marx Brothers movies which were shown during the dinner.

The dinner special was a success according to Matt Reiter, Director of SAGA food service. Mr. Reiter said, "Feed back from students has been good and some said it was better than 'Pizza and Beer.'" He said SAGA decided to go with the "Drive-In" special because it was something new and had received good recommendations from other college food services. In addition, SAGA wanted to find out if a special which did not emphasize an alcohol would be a success.

SAGA is always trying to break

## Saga Treat

the monotony of dining hall eating. A Halloween special is currently being planned. SAGA is also looking into the possibility of having a special week, serving the food of a

different country each day. Reiter said, "Pizza and Beer" is still a possibility but it has not yet been decided whether or not to hold the event.

## C.P.S.

### Basis For Grant

The decision of the Scholarship Committee will be based on the student's application, academic record, and recommendations.

### How To Apply

## Role of Women in Business

by Terri Raymond

Due to Joan Harrington's unexpected illness, Mrs. Charlene M. Mullen, representing the C. A. Lindberg, Realtors, was the Secretarial Society's guest speaker on Wednesday afternoon. She worked in the Emergency Room at St. Joseph's Hospital for ten years and established herself with the real estate business for five years after receiving her real estate license.

Mrs. Mullen talked about the challenges in business as far as knowing your career objective, setting a goal, and having a broader field in the business world. She mentioned that women in business today are more enthusiastic because it is an exciting area to get into and there are many opportunities than ever before. Women do not pay much attention to economics in business which Mrs. Mullen points out as a weakness. In working with men, she feels that she is not discriminated or unrespected and has a feeling of equality and responsibility.

Charlene Mullen discussed her role with the family. "Business means making money; and to survive, we have to make some

money." This she stated as an important factor for working women on the job and in the household. She says a marriage and a family is prior to her career. She remarks that it is important to discuss with the husband the responsibilities in the home and to understand and agree with the share of the household duties.

Since women are more exposed to family situations than men, women seem to be more patient in working with people. Mrs. Mullen says she likes to take her time and not be rushed—to have patience.

Mrs. Mullen emphasizes proper dress for any business field that you enter into. People pay more attention now-a-days to your physical appearance, your personality, the car you drive, and the environment you live in.

In conclusion she mentions that more credit should be given to women who do or have experienced service and volunteer work. This is rewarding and exciting and is very much related when working with people in business. Thank you, Charlene Mullen, for taking your time and effort to speak to our interested secretaries.

### A World Of Love

Gayle Richard

Enveloped in thoughts of you both night and day  
 Makes me realize I can't live without you.  
 What would life be like without seeing  
 your smiling face,  
 Hearing your gentle laugh,  
 Embraced in your comforting hugs  
 Your presence sends my spirits flying,  
 My mind wandering and  
 My heart singing—  
 Love is such a sacred vow  
 How could life exist without it?

## Tau Epsilon

Tau Epsilon held its 49th annual smoker on Monday and all those in attendance were treated to quite an enjoyable evening. We know that the memory of the evening will linger on until Bones washes his sweater. And by the way, Jimbo, you can come back inside now. Congratulations to KDK for winning the sorority high cum award. Also congratulations to Drew McLaughlin and Delta Sig for taking the individual and team honors in the GLC Cross Country Race.

In sports, our bowling teams have been doing very well. Our team is 8-0 and our B team after a 1-3 start are now 5-4 and tied for first. High man was Kipp Mullin with a pair of 200 games. Our football teams are having their problems. The trampled Eskimos are still looking for that first win. The A team is 2-4-1 and hanging on for dear life. We are hoping for a good volleyball season or we will lynch our coach Gary Cohen.

We would also like to welcome all the parents that will be up for the weekend and hope they enjoy themselves.

## Sigma Iota Xi

The sisters of Sigma Iota XI extends a warm welcome to all the parents who are coming up to share in all the fun and excitement of the annual Parents Weekend. We hope you are all psyched to enjoy yourselves and all the activities being sponsored this weekend. On Sunday of this weekend, the sisters and their parents are having their traditional Parents Banquet at the Marriot. It is definitely a good time and we are all looking forward to it. Also, on Saturday of this weekend from 10-2 p.m. at the "Library" parking lot, the sisters of SIX are having a carwash. All are invited to come and have those automobiles washed.

Last night in the Faculty Dining Room, the sisters of SIX held their annual smoker. We would like to thank all who attended and joined us later for our keg on the floor.

Last Friday we held a happy hour which was a great success. A good time was had by all. This coming Friday, October 26, the Sigmas are inviting all freshmen and independents to attend our Halloween Happy Hour. We urge you to dress up and come for a wild time and a lot of fun.

Congratulations to Kappa Delta Kappa and Tau Epsilon for winning the highest cum award and to Drew McLaughlin of Delta Sig for winning the GLC Cross Country Race.

## Sigma Iota Beta

The Sibbies would like to thank everyone who attended our Bin Party after Greek Night. The Babbie Books will be available in the Sib Suite if anyone wants to read what they wrote.

We ended our volleyball season with a record of 4-3. Timmy, you are the best coach and we appreciate all you did for us.

The Sisters would like to welcome all parents to Parents Weekend. We hope that everyone has a good time. This is the final year that Gladys and Ralph will be with us and we hope that you have a memorable weekend.

We would like to thank the freshmen and independents who attended our Smoker on Tuesday night in the Faculty Dining Room. We had a good time and we hope you did too. Thanks, Gail, for a good job in planning it.

The Sibbies are all looking forward to our Annual Alumni Dinner Dance which will be held on October 27 at the Chateau de Ville in Warwick, RI. We will be celebrating Jane's tenth year as a Sister and advisor to Sib. Thanks, Jane, for all that you've done for us. All the Sisters who do not have dates yet had better get one soon. There's only one week left.

On October 26 we will be having a Halloween Happy Hour. All freshmen and independent girls are welcome. Our Happy Hour will feature Willy, "King of the Appleboppers". See you there!

## Sigma Lambda Theta

Congratulations to our sister Patty Joline and Kevin Foster from Delta Sig on their engagement. It's a little late but the meaning is still the same. Good luck you guys.

Volleyball season is over and we had a great time. Special thanks to Bob Kish and Bill Huddy for all their help in the coaching department, and Sonya and Rose for their company. Congrats to KDK and TE for the high cum for sororities and fraternities, and Delta Sig for winning the Greek races. We hope everyone has a great time this weekend with Mom and Dad. The sisters are looking forward

to our wine and cheese reception for our parents on Saturday. Hello to all the parents and we hope you have a fantastic weekend here at Bryant.

## Beta Sigma Omicron

The sisters would like to thank all freshmen and independent girls for making our Happy Hour in the Country Comfort such a great success! Also, thanks to everyone for stopping by at our table at Open House on Wednesday. We are glad to see that so many girls are interested in BSO.

We are also looking forward to seeing everyone at our Smoker on Wednesday, October 24, in the Faculty Dining Room. This is a night set aside so that students may get to know all the sisters a little better and also for everyone to have a good time.

Finally, we would just like to welcome all parents who will be at Bryant this weekend for it's annual Parents Weekend. There are many activities planned for the parents and we hope they all have an enjoyable weekend.

## Delta Sigma Phi

The Brothers of Delta Sigma Phi would like to remind everyone of our Annual Smoker held October 23; all freshmen and independents are welcome. Once again, booze, food and "ENTERTAINMENT" will be provided.

Turning to sports, congratulations are in order for Brother Drew McLoughlin for his gutsy running performance that earned him first place in the GLC Cross Country Race. Overall, Delta Sig also placed first in the Team GLC race on the running ability of Jim Persano, Steve Turk, and Drew McLoughlin. Ken Bronson also showed up for a Saturday morning jog in the country.

In football our "A" team has raised its record to 2-2 with a 6-3 victory over the Invalids. Our "B" team has moved into first place with a 20-0 romp over Budha's Boys.

Lastly, thanks again, Doc, for making the trip from Dallas; but you

really shouldn't have.

Delta Sigma Phi quote of the week: "You've passed from Taxes into Death."

## Alpha Phi Kappa

We would like to thank everyone who came to our Snake Bite Party, and helped it to be a success.

Well, Volleyball Season is over, and our record was 4 wins and 3 losses. Thanks for coaching us Karl.

Also, we would like to welcome all freshmen and independent girls to our Smoker. It will be held Monday, Oct. 22 at 7:30 in the Faculty Dining Room.

The Sisters of Alpha Phi Kappa would like to welcome all parents to Parents Weekend, and hope they have a good time.

## Kappa Tau

The Brothers of Kappa Tau would like to thank the GLC for planning a successful Greek Week. Congratulations are also in order to Drew McLoughlin, winner of the GLC race.

Our Happy Hour's and Party's have had an enthusiastic turnout. The Brothers are looking forward to seeing you all in the weeks to come.

KT's annual Smoker will be held this Monday, October 22. We expect to have a good number of Alumni and prospectives to party with.

Our Personality Weekend is approaching fast. KT has alot planned for the four days of festivities, so start looking for a date.

## Phi Epsilon Pi

The brothers of Phi Epsilon Pi would like to thank all of those who came out to our annual Smoker. We had a great time and we hope you did too.

In football we're hanging tough. Our last game was against Blood. The final score was 2 to 0 in favor of Blood but a vital play in the game is being looked at. The final standing may be different.

In bowling, all of our teams are doing well. We have a long season ahead of us and we'll be rolling them

over until the end.

Well its Parents Weekend again. We hope you all have a great time with your folks. Make sure you hide everything.

## Kappa Delta Kappa

The Sisters of Kappa Delta Kappa hope that everyone enjoyed Greek Week. We Did (those of us that remember it that is!) We would like to congratulate the Brothers of TE for winning the High Cum award and the Brothers of Delta Sig for taking first place in the GLC Cross Country Race.

We would like to welcome all Freshmen and independent girls to our annual Smoker which will be this Thursday evening, October 25, in the Faculty Dining Room at 7:00. Hope to see you all there!

We would like to welcome all the parents who will be visiting for Parents' Weekend and hope that they have an enjoyable weekend.

By the way—Keep up the good work Terry, next one's all yours!!

## Phi Sigma Nu

The brothers of Phi Sigma Nu welcome all parents to this years Parents Weekend and hope everyone has a good time. We hope everyone who attended Phi Sigma Nu Purple Jesus Party had a great time, as the brothers did. Our Smoker this year will be on Saturday October 27. The brothers are having a Happy Hour the Friday afternoon so come up an party before your parents arrive.

## Beta Sigma Chi

The Brothers of Beta thank all who came to our Happy Hour and Beta "Brew" Party. It was good to see everybody getting good and loose.

We would like to tell all freshmen that our smoker is Wednesday the 24th. Meet at Dorm 4, second floor at 7:30. We will be taking a bus to the V.F.W. Hall in Woonsocket. Get ready to do some drinking.

Our bowling team with Peewee DeRose as top man is presently 6-2.

## Delta Mu Delta

We will be having a bake sale on Tuesday, October 30, 1979, from 9:00 a.m. to 3:00 p.m. in the Rotunda.

All who signed up to help out will be contacted to arrange new times.

Those baking should bring the baked goods in on the morning of October 30. Any other members interested in baking should feel free to do so. Thanks in advance for all your help and cooperation!

## Brycol

BRYCOL announces that applications are now being accepted for an opening on its Board of Directors. The person selected for the Directorship will have the opportunity to experience how BRYCOL operates and will be expected to contribute to its operation. Applications are available at the BRYCOL House and must be returned before October 30.

Employees of BRYCOL recently elected two of their fellow employees to represent them on the Board of Directors. Congratulations to Ken Soloway and John Lombardi on their election as employee representatives.

Within the coming week BRYCOL'S Mug Club will resume. New mugs, with the Country Comfort on them, will be available for \$3 each. This year mug club members will be able to take their mug home with them, bringing it to the CC whenever they desire to use it. On Mug Nights, members will be entitled to special beer prices. Watch for more information on mug sales.

On October 23 through October 25 Diegest and Clust will have a display of their Bryant rings in the

Rotunda from 10 a.m. - 1 p.m. Rings can also be ordered through the Boutique (as can Josten's rings.)

Be sure to stop by the Boutique to check out the Parents' Weekend Sale today through Sunday. Many items are reduced, and many more can be found at our regular low prices.

## Marketing

To get the campus in the Halloween spirit the marketing club will be sponsoring the movie "The Night of the Living Dead" at 9:30 p.m. on October 29 and 30 in the auditorium. There will be an admission charge of 50c.

There will be a marketing club meeting at 3:15 on Wednesday October 24. All members and anyone interested in the club are welcome to attend.

## L.E.A.

The Law Enforcement Association will hold a meeting on Tuesday, October 23, at 3:15 in room 261.

Items to be discussed will be: 1) trip to Smith and Wesson in Springfield, Mass.; 2) trip to Walpole Prison either Oct. 31 or Nov. 7; 3) the report on our dinner speaker. Who do you want? Dues will also be collected at this time.

## Chess Association

Play sessions are every Thursday in Room 270. We are beginning to form a chess team (along with our chess club) which will be playing intercollegiate with other colleges. A meet has already been discussed with Brown University, and tentative meets have been arranged with Providence College, Brandeis University and U.R.I. Anyone who enjoys chess should come and play, and all players who feel they have

the little bit extra are urged to join the intercollegiate team. Up to 10 players in all will be chosen to represent Bryant College. If you have any questions call Jerry Greenberg 232-0356.

## Delta Omega

If you are a creative or imaginative person we want your help. Delta Omega will be sponsoring a T-shirt logo contest. Any ideas can be submitted to Box 2055. The deadline is November 7th. The winning designer will receive a free T-shirt and a case of beer.

Watch for details in the Rotunda and future issues of the Archway.

## CIA

The CIA would like to congratulate our football team for their fine performance this past Monday. It was our first victory this season, and in fact our first victory ever. We would especially like to congratulate Kevin Burk, who we would like to name as our most valuable player. We also would like to praise our defense on holding their position and not moving. Once again, congratulations and good

## New face at Bryant

## Kathleen Reilly-Edinger

By Cindy Shuman  
Of the Archway Staff

On interviewing Kathleen Reilly-Edinger, Director of the New Dorm, she seemed very enthusiastic about Bryant College. When asked why she chose to work at Bryant, she felt it was challenging. She liked its program potential and its active students. She also like the core

luck.

We would also like to add that the CIA is participating in Parents Weekend. We will have a table set up Sunday in the Rotunda for the Organizational Fair. For those who are participating in Parents Weekend, you are welcome. We will be looking for you. See you then!

## The Bryant Players

The Players will be putting on a repeat performance of last years Spring Production on Saturday Oct. 20 at 2:00 in the Auditorium. All parents and students are welcome. Admission is FREE!

We always welcome new members. If you would like to join us then come to one of our weekly

## Investment

The Investment Club will hold its next meeting on Wednesday, October 24, at 3:15 in room 350.

Changes will be made in our portfolio and members should come prepared to vote. We will decide on whether to sell Varo and whether to buy Millipore. Any student wishing to make a presentation may do so.

Also, we will decide on how we will elect our Vice President. All members should bring their dues.  
NEW MEMBERS WELCOME

## Mountaineering

The Mountaineering Club held its first instructional climb in Lincoln Woods this Tuesday. We had a tremendous turnout of brave but determined beginners. The next climb is scheduled for Sunday, October 21. We hope to see you there.

## Wantu Wazuri

On October 10, 1979, Wantu Wazuri held elections for officers. The results were as follows: President, Annette Richardson; Vice President, Sandra Doucet; Treasurer, Steven Wells; Secretary, Beatrice Rawls; Public Relations, Regina Jones.

Other topics that were discussed at the meeting were a cultural weekend for some time in February, a career day scheduled for April, and a mixer for next semester.

her Masters Degree in Student Personnel.

Kathy's overall job concerns supervision of the R.A. staff and the New Dorm building. She advises the hall council and develops programs for the students. She is in charge of lounge use and is coordinator for the information desk. Her "end of the line" is discipline. She enjoys getting to know the students, but says it is difficult to converse socially when getting rid of an unwanted visitor.

When asked if she likes her job, Kathy replied, "For Sure!" She is impressed with the R.A. staff and likes the students. She is actively involved in planning not only in the New Dorm, but throughout the entire campus as well. She like the enthusiasm of the students.

Kathy would like to see definite changes in the New Dorm. First, she wants the building completed: "I am working on getting full length mirrors, bulletin boards, and hooks for the dorm rooms. I want vendors: juice, soda, cake and snacks (like potato chips and candy), and a cigarette machine." She would also like color T.V.'s for a couple of the lounges, but is a little hesitant about this.

"There's been vandalism done to the building. Everyone wants parties, but without parties we've had about \$1000 worth of damage."

As far as the students are concerned, Kathy would like more programs. "I could very easily put together programs, but I'd like the students to do more of it."

She would like floor get-togethers, and study breaks where there could be some refreshments. "Also," she adds, "it would be nice, I think, to have an exercise class, and maybe a nostalgia night where we could look at old yearbooks."

Getting involved and meeting people are major concerns for the residents of the New Dorm.

Kathy is very happy to be here and is interested in the students needs. As the New Dorm director, she wants to see "Number 14" achieve.

## BSC

cont. from page 8, col. 5

The Sibbies and the Brothers are getting prepared for the coed volleyball season by spending many hours in the bin over at Dorm 7. It will be a season of more ups than downs with maybe a ha-ha or two. Personality Weekend is coming!

## Cross Country Team Captures Third Place

The Bryant Cross Country team, plagued with injuries to key men, still managed to capture third place in the Rhode Island College Invitational. Assumption College grabbed the team honors by placing three of their runners in the top five positions. Rhode Island College's Ron Gillooly set a new home course record by running the 6-mile race in 31 minutes and 15 seconds. His first place finished RIC to a very astonishing upset over Bryant College.

Phil Goss led all Bryant runners by snagging the number three slot and running a time of 32:00. But after that, a huge gap formed which couldn't be closed and Bryant had to settle for 13th and 14th place. These were taken by Barry Proctor and Jack "Chip" O'Connor who ran 32:59 and 33:02 respectively. Nineteenth place belonged to Bill Varney who came back in 33:33 after an extended layoff. Bill Easty rounded out the scoring by placing 23d and running a time of 33:39.

Other Bryant runners: Place, 24th, Tim Dilworth-33:52; 26th, Jim Forker-33:58; 47th, Ron Shields-36:25; 60th, Sheffield Tulloch-39:31.

Bryant suffered a major setback in the race when Scott Pierson badly twisted his ankle and was unable to finish the race. This, coupled with Jim Forker's foot problems during the race, accounted for the third

place finish behind RIC.

The women's race belonged to Stonehill College as they totally dominated the 3.2 mile women's course. Wini Piszcz ran exceptionally well over the hilly course by clinching the number six place in a time of 22:51. Kathy Lopes also ran well by taking 20th in a time of 26:10. Wednesday the girls compete in the Rhode Island Women's 5000-Meter Collegiate Championships at Bryant College. The competition will be nothing short of exceptional with teams of the caliber of Providence College and Brown present. Good luck girls!

Men's Team Results: (1) Assumption-48; (2) RIC-67; (3) Bryant-72; (4) Stonehill-112; (5) Roger Williams-117; (6) Clark-147; (7) Quinnipiac-165; (8) Babson-190; (9) University of Hartford

Running Footnotes: This weekend Bryant will travel to Stonehill College for the Tri-State Championships. Coach Reinhardt has had problems keeping his top seven runners healthy this season. This week he should have a good top seven but the competition will be equally as good with the likes of Assumption and Bridgewater State present. Bryant runner of the week would have expected him to run as well as he has based on last season's performances. Ahh, if only former Bryant runner Bill Sanford were here now.

## Sports Commentary

As promised this week sports fans we have the intramural football and volleyball standings. Also we have a feature on women's varsity volleyball, also a little hockey news as well as other sports, including women. Also we have the complete fall schedule for varsity sports.

TO THE PROS: The Tampa Bay Bucs have lost 2 in a row...can this be a fluke?...The NY Jets with an

impressive 14-7 defeat of the Minnesota Vikings on Monday night football. Congratulations to all those Pirates fans on the series. Thought Baltimore was going to take it. The Bryant College Hockey tryouts started this week with 41 candidates.

Well that is it for this week sports fans so keep your head up high and have a good weekend!

## Women's Tennis

Bryant's Women's Tennis Team presently holds a record of 7 - 1, having completed three quarters of their season. Co-captains are seniors

Pat Kinghorn and Ellen Tuton, followed by singles players, Donna Tavpas, Anne Marie Savelle, and Shelly Tahan. The doubles players

are Laurie McCurry, Sam Kueller, Eileen Fay, and Anne Westdyk. Suffering their only defeat to Providence College earlier in the season, the girls have come on strong with much encouragement from coach Pete Barlow, and are assured of finishing the season with an impressive record.

## Messengers host Tournament

The Ultimate Messengers will be hosting two other teams this Saturday in a round robin style ultimate frisbee tournament. The visiting teams will be Roger Willoams College and Worcester Poly-technical Institute. Both schools will be fielding strong teams and it will be a tough challenge for the Messengers to revenge last

spring's losses to these two. Students and parents are invited to come out and support the Ultimate Messengers as they provide fine entertainment with an afternoon of exciting disc play and partying. The first ultimate game starts at noon on the women's soccer field. Be there to catch the action of Bryant's newest and most exciting sport!

## Women's Soccer Arrives

Last year Bryant's Women's Soccer Club entered the New England soccer season with a three game schedule, Stonehill and RIC. Bryant bowed to Stonehill but conquered an equally young RIC team twice.

This year the women have a varsity soccer team with a tough ten-game schedule. Stonehill and RIC still remain on the schedule with home and away games, along with Curry College, Tufts, Brown J.V., URI (also home and away), and UCONN. Many of the opponents have had varsity soccer for a few years so newness is still a problem for Bryant.

The squad is generally a young squad with 13 out of the 17 women

being underclassmen. The squad consists of 3 freshmen: Carol Bevan, Allison Forbes, and Sandy Mitchell; 8 sophomores: Janet Aimes, Celeste Buckmore, Eileen Doyle, Pam Fales, Cindy Hedge, Cheryl Lewis, Nancy Pike, and Diane Scinto; 5 seniors: Karen Zwick, Jill Walberg, Charlene Smith, Robin Punzi, and Erin Nickerson.

So far the women have played six games compiling a 1-5 record. "The record does not tell the whole story," says coach Gerry Marcoccio. "We started late because of the strike, with only seven practices we had to face two very tough opponents—Stonehill and Curry College. Almost every game has been played in the rain with some of the fields being in less than perfect playing

conditions. We had 50 shots or goal in the two RIC games and lost to Brown in overtime with no one to substitute. The improvement is definitely there; but unfortunately, the victories have not followed."

Jill Walberg and Charline Smith are the two co-captains and both are very important to the teams offensive punch. Jill has five goals with 45 shots on goal and Charline has 25 shots or goal.

Carol Bevan and Celeste Buckmore are the two goalies with Celeste collecting 108 saves to only 14 goals scored against her.

Allison Forbes and Erin Nickerson have been playing superb defense. "Erin has played most of the season injured but you'd never know it by watching the all-out effort she gives us every game," boasts coach Marcoccio. "Allison is only a freshman and she is invaluable to our defensive unit," adds Marcoccio.

Eileen Doyle and Pat Dorio both scored in the first RIC game and both play the wing position on the forward line. "Eileen has played all of our last five games. That's 90 minutes with no substitutes, so she would definitely have to be considered one of our better conditioned players," says the coach.

Bryant has four games remaining to their season with three of them being home games. Wednesday they play URI home at 3:30 followed by Stonehill at 1:00 Saturday also at home.
